MIXED DRINKS – COBRA SIGNATURES

We share so much
you and me

In the din of silent smiles
we sit at a table set with friendship
heedless of the rules

Let's play together
you and me

In my eyes, victory starves for fulfillment
and in yours
in yours, my gracious defeat thirsts

Do you recognize me?

I am a moment woven of joy
So drink from me
I taste of happiness

Come join us
we'll play a game

How does it taste to drink your way through the game board to the bottom?!

I'd prefer to taste with my eyes first...

MIXED DRINKS - WORLD WIDE CLASSICS

YES WE CAN ...

... if we currently have all ingredients.

If you haven't chosen from the menu of our signature cocktails,
or you simply have your favorite drink,
be it the most classic or completely unique and yours.

We mix around a hundred classic cocktails.
We mainly follow the recipes of the World Bartenders Association,
only we usually make them less sweet.

We also like to use classic cocktail preparation methods
such as Old-fashioned, Sour, Fizz, Collins, Smash, Rickey, Buck, or Tiki
and many others.

We mix short cocktails, highballs, shooters
and we also enjoy non-alcoholic cocktails

We will be happy to come up with a cocktail
tailored just for you and today's moment,
or we can fine-tune your ordered cocktail,

just in case, we ask for a moment of patience.

Cheers!

SPARKLING WINES BY THE GLASS OR THE BOTTLE

Pet-Nat

?

Pétillant Naturel, or "naturally sparkling", is a wine that the winemaker bottles while still fermented - alive. The wine is fermented in the bottle, where natural bubbles are created by this probably oldest and until recently little-known method, while there is still sugar in the bottle. It's a lottery without additives, filtration and most conventional interventions. In the end, the wine is full-bodied and has the most refreshing taste in the world.

We love it, and that's why we look for interesting bottles across counties and organic winemakers. None will stay in our fridge for long! We'd love to tell you which one it is today.

WINE SPECIAL BY THE GLASS OR THE BOTTLE

0,75l

Natural, authentic, familial.

Each month we hunt out a limited number of natural wine bottles, that - apart from sulfur dioxide - haven't met any additional chemistry, at the winery, nor on the way to the bottle.

Wines so unique, that they are commonly sold out right before our favourite winers start to bottle them.
