MIXED DRINKS

We do what we can,
with whatever fresh ingredients we have.

If you haven't found anything among
our signature cocktails,
you have your own favourite drink – whether
the most classic one out there, or something
entirely unique and yours – we're here
to make that wish come true.

We mix around a hundred classic cocktails.
We mainly follow IBA recipes,
just usually make them a little less sweet.
We like to use classic preparation techniques:
Old-Fashioned, Sour, Fizz, Collins, Smash,
Rickey, Buck, Tiki and more. We mix short
cocktails, highballs, shooters, and we're just as
into non-alcoholic cocktails.

We're happy to create a cocktail tailored
just for you and this very moment, or to adjust
your ordered cocktail to taste.

We just kindly ask for a little patience, if needed.

WINE SPECIAL BY THE GLASS & BOTTLE

Just ask – we have a different bottle every time — ??/??

Natural, authentic, family-made.
Every month we fight to secure a limited number of bottles of natural wine that – besides sulphur dioxide – hasn't encountered any added chemicals, either in the vineyard or on the way into the bottle.

Wines that can be so rare they're often sold before our favourite winemakers even manage to bottle them.

WINE

0,15l / 0,75l

NON-ALCOHOLIC WINES BY THE GLASS & BOTTLE

Premium de-alcoholized wine, made by removing the alcohol through vacuum distillation (the wine is evaporated at a low temperature, so it keeps its varietal character, though with fewer calories and a maximum of 0.4% ABV).
After the alcohol is removed, a small amount of natural sugar is added to the wine to make up for the loss of body and sweetness that leaves with the alcohol.
